Have you seen *the ultimate* custom closet?

Wardrobe valet Organize and easy access your valuable wardrobe

Wardrobe Valet can be customized to accommodate any combination of short and long garments

Wardrobe Valet is a remarkably simple and functional personal garment delivery system that organizes and preserves your valuable wardrobe. Using approximately 12 square feet of closet space, the Wardrobe Valet can accommodate up to 400 garments. A push of the handswitch button allows you to browse your entire wardrobe - delivering the garment you want when you want it.

Wardrobe Valet brings organization and structure to your busy life. Now you can store and access garments efficiently while maximizing your existing closet space. Say goodbye to those stressful mornings of searching for a particular business outfit. Never again risk stressing your garments from improper storage. Treat yourself to a day on the town instead of wasting time packing and unpacking seasonal clothing.

Organize your valuable wardrobe

Access your garments rapidly

Preserve and maintain wardrobe integrity

Avoid the stress of searching for a specific suit or dress

Wardrobe Valet's durable yet stylish construction gives you decades of reliable operation. Adds value to your home.

Safe and easy push button operation

Construction for long life. With proper maintenance, the Wardrobe Valet will deliver 20+ years of operation.

Quite and smooth running operation

Easy installation - less than 1 hour in most cases

110V power

Conveyor can be controlled through typical wall switch or optional foot pedal.
